

# Stephen Burega on Angkor Resources' recent high-grade gold sample results

InvestorIntel's Tracy Weslosky speaks with Stephen Burega, CEO of Angkor Resources Corp. (TSXV: ANK), about their recent high-grade gold sample results from their Andong Meas property, and a corporate update.

In an InvestorIntel interview that can also be viewed on our InvestorIntel YouTube channel, Tracy and Stephen discussed the recent high grade results with up to 70.7 g/t gold from selected samples from the Andong Meas property. "Andong Meas is actually known in the Khmer language as **well of gold**," Stephen said. They also discussed reclaiming control of the Peacock Gold Project and the Koan Nheak License, an update on the status of Angkor's oil block, and the addition of new independent board members by Angkor.
