written by InvestorNews | March 11, 2021

In a recent InvestorIntel interview, Peter Clausi spoke with Felix Lee, President of [PDAC](#) about the convention that just kicked off earlier this week and the role of PDAC in promoting miners interest around the world.

In this InvestorIntel interview, which may also be viewed on YouTube ([click here to subscribe to the InvestorIntel Channel](#)), Mr. Lee starts with: “The show is off to a great start.”

Mr. Lee pointed out that most people think of PDAC as a convention but the organization exists as an advocacy body. He said that the organization works very hard to support and promote a vibrant, competitive, and responsible minerals exploration industry. They also work with the Canadian federal government to enact policies that benefit the industry. “We are poised to play a very critical role in the transition of Canada’s economy to a low carbon future,” Mr. Lee added.
