

Jack Lifton talks with Neo Performance's Constantine Karayannopoulos on China's rare earths recovery

written by InvestorNews | August 27, 2020

The Technology Metals Show host Jack Lifton talks with Constantine Karayannopoulos, President, CEO & Director of [Neo Performance Materials Inc.](#) (TSX: NEO) about the recovery of the Chinese rare earths industry. "The Chinese rare earths industry is recovering but so is the rare earths industry everywhere," Constantine said in an interview. "It looks like the worst is over in China and the rest of the world is showing spurts of demand in specific markets, even in automotive."

Jack and Constantine went on to discuss neodymium and praseodymium (NdPr) prices, the separated praseodymium market, and how the current market situation is affecting the prices for neodymium and praseodymium. In the interview Constantine also provided an update on Neo's magnetic materials business.
