

Lithium X presents “Charging our World, Fuelling the Future” at #CTMS2017

In a recent presentation at InvestorIntel’s 6th Annual Cleantech & Technology Metals Summit (#CTMS2017), Timothy McKenna, Vice President of Investor Relations for Lithium X Energy Corp. (TSXV: LIX | OTCQB: LIXXF) delivered a presentation titled, “Charging our World, Fuelling the Future”. Addressing industry and investors alike, Timothy provides an overview of Lithium X’s North and South American lithium brine assets. Timothy also discusses the strategic partnership with Pure Energy Minerals in Nevada, U.S.A., and the Sal de Los Angeles in Salta Province, Argentina... to access the complete presentation, [click here](#)
