

Industry experts Jack Lifton and Byron W. King talk about the coming economy based on gold and energy.

In this video, long-time mining and metals analysts Jack Lifton and Byron W. King discuss gold, inflation, and global economic trends driven by rising energy prices. Gold prices will bounce around, to be sure. But energy-driven inflation is now structural and embedded in both the U.S. and global economy. Meanwhile, U.S. sanctions against Russia are backfiring, undermining the credibility of the dollar. Over time, we will see a new international financial standard based on hard commodities and energy.
