

Silver Bullet Mines CEO proves the “mining by drilling” approach works as assay results reveal high grade silver

written by InvestorNews | November 27, 2023

In a recent interview with InvestorNews, Silver Bullet Mines Corp.'s (TSXV: SBMI | OTCQB: SBMCF) CEO and Director, John Carter, shared significant updates on the company's progress and achievements. Carter proudly announced the release of assay results, revealing a high grade of over 24 oz/ton silver, marking a pivotal moment for the company after a challenging two-year journey. This milestone is particularly significant as it represents the culmination of persistent efforts and a clear focus on their target. It also confirms impending silver production and the reopening of the Silver Bullet Mine.
