

David Morgan on what's next in Base Metals

David Morgan, Founder of *The Morgan Report* in an interview with InvestorIntel CEO Tracy Weslosky discuss David's current outlook on investing in base metals. "The Silver Guru" gives us his top three favourite base metals, starting, obviously, with silver and followed by gold. David then goes on to highlight what factors he looks for in "interesting" gold companies... to access the complete interview, [click here](#)
