Volcanic Gold CEO and Founder Simon Ridgway on the flagship Holly Project in Guatemala

written by InvestorNews | March 24, 2023

In this InvestorIntel interview during PDAC 2023, Byron W King talks to Volcanic Gold Mines Inc.'s (TSXV: VG) CEO, President, and Director Simon Ridgway about an update on Volcanic Gold's flagship Holly Project in Guatemala. With high-grade gold and silver mineralization, which equates to **9.6 g/t at 410,000 oz gold equivalent**, Simon discusses the potential to grow the Holly Project resource to up to a million ounces. He adds that preparations are ongoing to upgrade the exploration license to an exploitation license.

Simon goes on to provide an update on Volcanic Gold's Motagua Norte Prospect in Guatemala and says: "the gold numbers in these quartz veins are in the 50-100 g/t [range]. So it is very high grade."

This interview, which was produced by InvestorIntel Corp., (IIC), does not contain, nor does it purport to contain, a summary of all the material information concerning the "Company" being interviewed. IIC offers no representations or warranties that any of the information contained in this interview is accurate or complete.

This presentation may contain "forward-looking statements" within the meaning of applicable Canadian securities legislation. Forward-looking statements are based on the opinions and assumptions of the management of the Company as of the date made. They are inherently susceptible to uncertainty and other factors that could cause actual events/results to differ materially from these forward-looking statements. Additional risks and uncertainties, including those that the Company does not know about now or that it currently deems immaterial, may also adversely affect the Company's business or any investment therein.

Any projections given are principally intended for use as objectives and are not intended, and should not be taken, as assurances that the projected results will be obtained by the Company. The assumptions used may not prove to be accurate and a potential decline in the Company's financial condition or results of operations may negatively impact the value of its securities. Prospective investors are urged to review the Company's profile on Sedar.com and to carry out independent investigations in order to determine their interest in investing in the Company.
