Distribution and commercialization of ePlay's AR mobile games

Partners and investors include comedian, and America's Got Talent's, Howie Mandel, social media star and 7-time NBA champ, Robert Horry, and TV host and Sports broadcaster, Lindsay McCormick.

Closing remarks

ePlay is at a great stage now for investors to consider. This is because the hard work of game development and distribution has been done. Now comes the potential for large revenues if the games achieve popularity and monetization success.

Trading on a market cap of just [C\\$17.75 million](#) leaves ePlay Digital with plenty of potential upside ahead if ePlay’s revenues take off as commercialization of its games progresses in 2021 and beyond.
