

# John Putters and Shannon Moore on Visionstate's WANDA Technology Partnership with Bunzl

written by InvestorNews | January 26, 2023

In this InvestorIntel interview, Tracy Weslosky talks to [Visionstate Corp.](#)'s (TSXV: VIS) CEO John Putters and President Shannon Moore about Visionstate's WANDA™ technology and the partnership with Bunzl Canada.

As an IoT (Internet of Things) application designed to track cleaning and maintenance protocols in public facilities, Shannon discusses how Visionstate's WANDA™ technology is extremely competitive with other companies. With a solid foundation of subscriptions for its WANDA™ technology in Canada, Shannon added how Visionstate plans to duplicate the success in other key markets.

This interview, which was produced by InvestorIntel Corp., (IIC), does not contain, nor does it purport to contain, a summary of all the material information concerning the “Company” being interviewed. IIC offers no representations or warranties that any of the information contained in this interview is accurate or complete.

This presentation may contain “forward-looking statements” within the meaning of applicable Canadian securities legislation. Forward-looking statements are based on the opinions and assumptions of the management of the Company as of the date made. They are inherently susceptible to uncertainty and other factors that could cause actual events/results to differ materially from these forward-looking statements. Additional risks and uncertainties, including those that the Company does not know about now or that it currently deems immaterial, may also adversely affect the Company’s business or any investment therein.

Any projections given are principally intended for use as objectives and are not intended, and should not be taken, as assurances that the projected results will be obtained by the Company. The assumptions used may not prove to be accurate and a

potential decline in the Company's financial condition or results of operations may negatively impact the value of its securities. Prospective investors are urged to review the Company's profile on [Sedar.com](https://www.sedar.com) and to carry out independent investigations in order to determine their interest in investing in the Company.
